

Put an end to leaks: with MEYLE-HD water pumps to beat frustration in the workshop!

16 new MEYLE water pumps in HD quality for numerous VW and Porsche vehicle applications.

Problems with leaky water pumps and the resulting engine damage are a source of great annoyance in the everyday life of a garage. After feedback from the market and at the request of garages, we have therefore dedicated ourselves to the subject of water pumps - with the aim of improving the quality and specifically preventing leaks.

After a thorough development phase and successful tests, there are now 16 new water pumps in HD quality available from MEYLE. By combining uniquely tough

components, MEYLE-HD water pumps offer quality standards far higher than what can normally be found on the free market for components:

- Made in Germany
- Extremely hard-wearing mechanical seal in OE quality with SiC/SiC seal faces (silicon carbide) and high resistance to abrasive materials
- Housing seal resistant to high temperatures
- Water pump bearings in OE-equivalent quality
- Four-year guarantee on all MEYLE-HD parts plus 100,000 miles performance guarantee*

4-year guarantee plus 100,000-miles performance guarantee for all MEYLE-HD water pumps*

* For more information on the MEYLE guarantee policy visit www.meyle.com/guarantee-certificate

MEYLE no.	Vehicle applications
113 220 0018/HD	VW diesel engines 1.9–2.0 TDI
113 012 0042/HD	VW diesel engines 2.5 TDI
113 220 0005/HD	VW diesel engines 2.5 TDI
113 012 0033/HD	VW petrol engines 1.6i 1.8i 2.0i

413 220 0003/HD	Porsche engines 2.7 3.2 3.4 3.6 3.8

Information

When replacing the water pump, the complete cooling system must always be thoroughly flushed and then refilled with new, specified coolant. Pay attention to the manufacturer's instructions.
